Present: Linda Hawes, Carole Wolfe, Lee Swanson, Frank Riepe, Bill Andreas

Case No. 10-14: 17 King Philip Road; Tony and Susan Giorgio

Final plans for the addition to the house were reviewed. Several changes had been made to the original plan, as requested by the HDC meeting on November 18. These are:

- Lowering the roof line
- Redefining the detail of the cupola
- Changing the porch roof pitch
- Adding vertical wood to the upper gable of the barn
- Removing the arch window from the garage
- Matching the windows on the original part of the house to the garage
- Matching the corner posts of the garage to those on the original house
- Landscaping.

In addition, a redrawing of the double windows on the North side of the garage was recommended and accepted. The HDC voted unanimously to accept the above changes and grant the Giorgio's a Certificate of Appropriateness.
