

HISTORIC DISTRICTS COMMISSION
MINUTES
September 29, 2011

Present: Linda Hawes, Lee Swanson, Carole Wolfe, Frank Riepe

Case No. 11-16: 26 Lafayette Drive; Andrew Payne

Windows will be replaced with "Pella ProLine" of wooden construction and aluminum exterior, divided lights, white sash and trim to remain as is at present. It was recommended windows in both floors be 6 over 6.

Case No. 11-17: 151 Peakham Road; Christine & Sean Barrett

This was a preliminary meeting. The Barretts plan to replace 2 first-floor windows with larger ones (18x52"-27x52"-18x52"), 9 over 9, closely matching those in place on the second floor. They will be simulated divided lights with a vinyl exterior frame, white, and with wood shutters of black. The applicants will return on October 6.

Other business:

Building Inspector Jim Kelly came in to explain a project to renovate/restore the Sudbury Town Hall into usable town offices. The project seeks \$50,000 for a design and architectural study. After a general discussion about possible uses and alternatives for the building the Commission agreed to support Jim in his quest for funding.
