Members present: Fred Taylor (Chair), Lee Swanson, Linda Hawes, Frank Riepe, and William Andreas.

Others present: Jim Kelly, Combined Facilities Director; Sally Hild, Sudbury Historical Society Director; Lyn MacLean, Bill Johnson, William Braun, Steve Hoover and Diane Warren.

#### **New Business:**

- Members discussed the Loring Parsonage repurposing project with the Sudbury Historical Society. The Society presented first plans and received comments from the Commission and town members in attendance. Members felt more options were needed and suggested the Society ask the architects for plans that gave better thought to the purpose of the project and the history of the building.
- Jim Kelly presented plans for a garage at the new police station. Members generally approved the design and made only a few suggestions. Whether or not the station is in an historic district was brought up. Mr. Kelly thought it was not but said he would investigate this and if it was apply for a certificate of appropriateness.

#### **Other Business:**
