Project description

The Brookside Square development, located in the village of West Concord, is under construction on a 5 acre parcel on Beharrell Street, adjoining the main commercial district of the village. This five acre parcel, when completed this summer, will provide a new multi-family mixed-use building with 74 luxury rental units and 36,000 square feet of non-retail commercial space in a three story modern structure with elevators. The apartments are located on the second and third floors with elevator access. Eight rental units, 4 one-bedroom and 4 two-bedroom apartments, will be affordable. The affordable rental units offered in this project are Local Action Units within the Commonwealth's Local Initiative Program (LIP), with DHCD and the Town of Concord as Monitoring Agents. This is the first lottery for this new development, which will provide for the selection of eligible tenant for 8 units.

In accordance with the program guidelines, the initial monthly rent is established so that a household is not required to spend more than thirty percent (30%) of the monthly adjusted income, whose gross income equals eighty percent (80%) of the Boston Area Median Income (AMI) for a family for housing costs, including rent and utilities. The tenant will be responsible for payment of all utilities. Taking into consideration a utility allowance of \$119, the initial rent for the 1 bedroom unit will be set at \$1,236. Taking into consideration a utility allowance of \$151, the initial rent for the 2 bedroom unit will be set at \$1,374. Tenants pay all utilities except water and sewer.

The one-bedroom units will feature one bath, living room, dining room and kitchen in an open floor plan with livable square footage ranging from 675 to 750 square feet. The two-bedroom units will feature two bathrooms, living room, dining room and

kitchen in an open floor plan with livable square footage ranging from 1015 to 1047 square feet. Two units – a one-bedroom apartments and a two-bedroom apartment will be ADA compliant. Underground parking will be provided, with additional surface parking.

The finishes will be 'high end", that is, granite counters, energy-efficient stainless appliances, wood floors in living areas, tiled master bath, ample storage (including walk-in closets, extra storage rooms), 9 ft ceilings, lots of natural light from generous windows, energy-efficient, individually controlled heating, ventilating and air conditioning; overall healthy, 'green' building materials and furnishings. The ADA units include wider kitchen, larger bathrooms, lower cabinets and ADA appliances.

The following table details the specific units.

1 Bedroom		2 Bedroom	
Unit#	Comment	Unit#	Comment
203	Local, ADA	232	Local
212	Local	228	Local
322		304	Local
316		311	ADA

This parcel is located near shopping and services, Nashoba Brook and recreational trails, and is a short walk to the MBTA Boston/Fitchburg commuter rail line station in West Concord. The units are planned for occupancy in the summer of 2015.

Lottery description:

1. The applications for these housing opportunities will be generally available, including on-line, in hardcopy at Sudbury Department of Planning and Community Development, the Concord Department of Planning and Land Management and Concord Free Public Library, or will be sent to anyone interested in the lottery. Notice of the lottery will be advertised, and communicated widely through local, regional and state channels.
2. Applications must be received in hardcopy and will be checked for completion of all required components. An application will be considered complete when all required items on the checklist have been provided. Applicants are encouraged to complete the checklist as an aide to the process. Email or fax submission of applications are not accepted. .
3. The applicant's household size will be determined from the application, and required number of bedrooms as indicated on the application. Within the lottery pools, priority shall be given to households requiring at least the number of bedrooms for that unit. Smaller households are encouraged to apply.
4. The applicant's income will be verified and compared to the income limits published by HUD for the Boston Metropolitan Statistical Area. Income includes all income prior to any deductions from all adult household members, and are determined using the method as in the HUD Section 8 program defined at 24 CFR 5.609. An imputed income amount of 2% of assets will be added to income for assets over \$5,000. The 2014 limits will be used:
 1 person household - \$47,450, 2 person household- \$54,200,
 3 person household- \$61,000, 4 person household - \$67,750
5. If any household member owns a residential property, the property must be sold before the household enters into a lease.
6. It is the policy of the leasing office's that the applicant have sufficient income for the rent. No more than 35% of an applicant's gross income can be spent on rent. This translates to minimum incomes of \$42,377 for the 1BR units, and \$47,109 for the 2BR units. Applicants may make less than the minimum incomes if they have sufficient savings to contribute to their rent so as to meet the required ratio for twelve months. Applicants who have receive a housing subsidy (like Section 8) are not subject to the minimum income requirements. Applicants will be considered ineligible for the lottery if they make less than the incomes.
7. All applicants will be screened for eligibility. Applicants who have been deemed ineligible will be notified in writing of the decision and given time to contact the lottery agent in writing to disagree with the determination.

8. Applicants that qualify for a local preference will be placed in the local pools. Three of the two-bedroom units are available for local residents, and two of the one-bedroom units are available for local residents. Applicants will be entered into all the pools for which they qualify; so a local resident will be included in both general and local pools. Local resident includes:
 - Current Concord residents
 - Families with children enrolled in the Town of Concord's schools;
 - Concord municipal employees, school system employees or Concord-Carlisle Regional High School employees; or
 - Household member employed in the Town of Concord
9. Once the Lottery Agent has verified the information contained in the application and confirmed eligibility, a lottery number or numbers and lottery form will be issued, and the applicant will move forward to the lottery. There will be four lottery pools created for these opportunities.
 - 1) One-Bedroom Local Pool (2 units) – one is ADA compliant
 - 2) One-Bedroom General Pool (2 units)
 - 3) Two-Bedroom Local Pool (3 units)
 - 4) Two-Bedroom General Pool (1 unit) - one is ADA compliant
10. A final lottery eligibility letter will be mailed to each applicant indicating their final eligibility determination and the lottery specifics (date/time).
11. The lottery numbers will be pulled randomly by an independent third party in a public setting. Lottery numbers will be assigned a number in the sequence in which they are drawn and recorded in the order of selection on the Lottery Drawing Lists. The list of numbers drawn will be posted and letters will be mailed within three business days to the winners.
12. Once the tickets have been randomly drawn and listed on the drawn order, the top ranked household with a member documenting the need of the design features of the ADA accessible unit, will be offered the opportunity to lease that specific unit ahead of a household where no member of the household needs the ADA design feature. This preference is done ahead of the household size ranking.
13. After the ADA preferences have been taken into consideration, the lottery list will be re-ranked based on need/qualification for bedroom size within each lottery pool. The top ranked households needing and qualified for two bedrooms will be offered the opportunity to lease the offered two-bedroom unit, until all the two bedroom units have been offered. Then the top ranked households needing and qualifying for a one bedroom will be offered the opportunity to lease the offered one-bedroom unit. The household size preference is based on the following criteria.
 - There is at least one occupant and no more than two occupants per bedroom.
 - A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom.
 - Other household members may share but shall not be required to share a bedroom.
14. The lottery agent shall maintain the Lottery Drawing Lists. In the event that any of the applicants withdraw for any other reason, or do not comply with guidelines, the next qualified applicant, taking into consideration household size preference, will be offered the unit. If any applicant is offered the unit and opts not to proceed, they will be moved to the bottom of the list, unless there are extenuating circumstances related to hardship.
15. Winning households will attend an interview with the owner/manager and complete a Rental Application. If the winning household does not sign a lease or is otherwise disqualified, the next qualified applicant will be selected. All winning applicant households will be subject to landlord screening and final approval. Screening is provided by Core Logic Safe Screening which includes a review of such factors such as employment history, credit score/reports, former lease history, criminal background screening and sufficient income are considered. Note that co-signers and/or guarantors are not allowed.
16. Tenants are required to recertify annually. Annual income must be below 140% of the 80% income limits to remain eligible. Ineligible tenants may be required to pay market rent.
