Project description

Danforth Green is part of a larger master planned residential community in the northeastern corner of the Town of Framingham on the Wayland Town line. The community will consist of 173 ownership units, governed by a condominium association, and 180 rental units, which were approved locally under a Planned Unit Development special permit. Approximately 100 acres of the site along the Sudbury River will be preserved as open space.

The development of the homeownership units at **Danforth Green** in Framingham, MA, will occur in three phases. This lottery is for the units to be built in **Phase 2**. This lottery will be used to select eligible households to purchase the 6 affordable units, which will be two-bedroom units available in attached two-unit and three-unit townhouse structures.

The units are scheduled for occupancy in summer and fall of 2016, as planned below. Note that the units and schedule may change as market conditions change; the occupancy dates may revise and additional units may be added

Unit Address	Planned Occupancy
142 Oxbow, 148 Oxbow, 134 Oxbow	Summer 2016
131 Oxbow, 92 Oxbow, 102 Oxbow	Fall 2016

In accordance with the program guidelines, the initial purchase prices are established so that a household is not required to spend more than 30% of 70% Boston Area Median Income (AMI) monthly for housing costs.

The units will be available to income eligible first-time homebuyers, with some exceptions permitted under the program, as noted in this application.

These units will have most of the design features of the market units, with top of the line appliances, granite countertops, birch cabinets and wood flooring in the kitchen, dining area, and downstairs halls. The units offered have two floors of living area in approximately 1,850 square feet. The first floor has a family room, dining room, kitchen, and ½ bath, with a deck or patio off of the dining room, and a two-car garage. The kitchen comes with a refrigerator, stove/oven, dishwasher, microwave and disposal. The bedrooms are located on the second floor, as are a loft and two full baths, and laundry room. Closet space is generous. The units come with unfinished basements. All units will be provided with central air-conditioning and are on town water and sewer.

The Two-Bedroom units will have a Condominium Association fee of \$115 per month. In addition to mortgage principal, interest and Private Mortgage Insurance payments, homeowners should expect to pay monthly housing expenses of property taxes and condominium association fees. Property owners will be expected to pay property taxes of \$17.38 per \$1000 of purchase price, using 2016 tax rates, or approximately \$266 per month.

Lottery description:

1. The applications for these housing opportunities will be generally available, including on-line, in hardcopy at Sudbury Department of Planning and Community Development and Framingham Library, sent to anyone interested in the lottery. Notice of the lottery will be advertised, and communicated widely through local, regional and state channels.
2. Applications must be received in hardcopy and will be checked for completion of all required components. An application will be considered complete when all required items on the checklist have been provided. Applicants are encouraged to complete the checklist as an aide to the process. We do not accept email or fax submission of applications.
3. For all units, the applicant's household size will be determined from the application, and required number of bedrooms as indicated on the application. Within each lottery pool, priority shall be given to households requiring at least the number of bedrooms for that unit. Smaller households are encouraged to apply.
4. The applicant's income will be verified and compared to the income limits published by HUD for the Boston Metropolitan Statistical Area. Income includes all income prior to any deductions from all adult household members, and are determined using the method as in the HUD Section 8 program defined at 24 CFR 5.609. An imputed income amount of 0.06% of assets will be added to income for assets over \$5,000. The current 2016 income limits are:
1 person household - \$51,150, 2 person household- \$58,450
3 person household - \$65,750, 4 person household - \$73,050
5. Household assets shall not exceed \$75,000 in value. Assets include but are not limited to all cash, cash in savings accounts, checking accounts, certificates of deposit, bonds, stocks, the cash value of retirement accounts, value of real estate holdings and other capital investments. The value of necessary personal property (furniture, vehicles) is excluded from asset values. Equity from the sale of any home will be included with other household assets that cannot exceed the household asset value limits noted above.
6. Eligible applicants must be a First-time Homebuyer. This is further defined as a household that has not owned a home within three years preceding the application, with the exception of displaced homemaker, single parents and senior households (at least one household member is 55 or over). Any previously or currently owned home must be sold prior to purchase of the affordable unit.

A displaced homemaker is an individual who is an adult, who has owned a home only with a spouse, who is legally separated from a spouse, and who does not currently own the home previously owned with a spouse.

Single parents, are individuals who owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of whom the individual has custody or joint custody, or is pregnant);

Additional exceptions are made for households that owned a principal residence not permanently affixed to a permanent foundation, and households that owned a property that was not in compliance with State, local or model building codes.

Eligible applicants cannot own residential property, whether for primary, secondary or investment purposes.

7. Persons must submit all the necessary information by the application deadline. Late applications (applications mailed and/or received after the above date) and applications that are incomplete will not be accepted. No faxed or emailed applications will be accepted.
8. All applicants will be screened for eligibility. Applicants who have been deemed ineligible will be notified in writing of the decision and given time to contact the lottery agent in writing to disagree with the determination.
9. Applicants that qualify for a local preference will be placed in the local pools. Four of the two-bedroom units are available for local residents. Applicants will be entered into all the pools for which they qualify; so a local resident will be included in both general and local pools. Local resident includes:
 - Current Framingham residents
 - Families with children enrolled in the Town of Framingham's schools;
 - Framingham municipal employees; or
 - People employed by businesses located in the Town of Framingham.
10. Once the Lottery Agent has verified the information contained in the application and confirmed eligibility, a lottery number or numbers and lottery form will be issued, and the applicant will move forward to the lottery. There will be two lottery pools created for these opportunities.
 - 1) General Pool (2 units): Unit 148 and Unit 92
 - 2) Local Pool (4 units): Unit 134, Unit 142, Unit 131 and Unit 102
11. A final lottery eligibility letter will be mailed to each applicant indicating their final eligibility determination, preferences and the lottery specifics (date/time).
12. The lottery numbers will be pulled randomly by an independent third party in a public setting. Lottery numbers will be assigned a number in the sequence in which they are drawn and recorded in the order of selection on the Lottery Drawing Lists. The list of numbers drawn will be posted and letters will be mailed within three business days to the winners.
13. Once the tickets have been randomly drawn and listed in the drawn order, the units are then ranked based on bedroom size for each lottery pool. The top ranked household needing at least two bedrooms will be offered the opportunity to purchase that specific unit. The household size preference shall be given to households based on the following criteria:
 - There is at least one occupant and no more than two occupants per bedroom.
 - A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom.
 - Other household members may share but shall not be required to share a bedroom.
14. The lottery agent shall maintain the all Lottery Drawing Lists. In the event that any of the applicants withdraw for any reason, or do not comply with guidelines, the next qualified applicant in the lottery pool ranked by bedroom size need, will be offered that particular unit.
15. If there are more local units than local applicants needing all of the bedrooms of the unit, the local unit will be offered to the next ranked applicant in the general list needing all of the bedrooms in the unit. The ranked local applicants needing one fewer bedroom will then be considered in drawing order, followed by the ranked general applicants needing one fewer bedroom than in the unit.

16. Top ranked applicants are offered the next available unit. If any applicant is offered a unit and opts not to proceed, they will be moved to the bottom of the list, unless there are extenuating circumstances related to hardship.
17. The winners will sign a reservation form and provide a \$1,000 deposit in the form of a certified or bank check within a mutually agreed upon timeframe. This is applied to the overall purchase amount.
18. Final qualification against all requirements will be verified before the execution of Purchase and Sale, and eligible applicants must be approved by DHCD before signing a P&S and again before closing (if closing is longer than 60 days from the Purchase and Sale) as determined by the Lottery Agent.
19. There are specific closing and financing requirements for loans on these units, which include:
 - The loan must have a fixed interest rate through the full term of the mortgage.
 - The loan must have a current fair market interest rate.
 - The interest rate must be locked in – not floating.
 - The buyer must provide a down payment of at least 3%, 1.5% of which must come from the buyer's own funds.
 - The loan can have no more than 2 points.
 - The buyer may not pay more than 38% of their monthly income for monthly housing costs.
 - Loans from non-institutional lenders will not be accepted.
 - FHA will no longer accept the deed rider that survives foreclosure.
20. The Fair Housing Act prohibits discrimination on the basis of race, creed, color, sex, age, disability, marital status, familial status, veteran status, sexual orientation, and/or national origin, or any other basis prohibited by law and is specifically prohibited in the sale of these units. An applicant who believes that they have been discriminated against in the buyer selection and sales process may contact: the Massachusetts Commission Against Discrimination; and/or the United States Department of Housing and Urban Development.
21. Disabled persons are entitled to request reasonable accommodation of rules, policies, or services, or reasonable modification of housing.
22. Resale process: The Monitoring Agent has up to 90 days after you give notice of your intention to sell the home to close on a sale to an Eligible Purchaser, or to close on a sale to a Monitoring Agent, or to a buyer that one of them may designate. This time period can be extended, as provided in the Deed Rider, to arrange for details of closing, to locate a subsequent purchaser if the first selected purchaser is unable to obtain financing, or for lack of cooperation on your part. If you attempt to sell or transfer the home without complying with the Deed Rider requirements, the Monitoring Agents may, among their other rights, void any contract for such sale or the sale itself.
