#### **Project description**

The Postmark was approved by the Reading Community Planning and Development Commission under the zoning bylaws of the Town of Reading and MGL Chapter 40R on September 11, 2017. In this development, a total of ten (10) affordable condominiums will be constructed and sold to homebuyers with incomes that shall not exceed 80% of the Boston-Cambridge-Quincy MSA area median income.

The Postmark is a mixed-use development conveniently located in the heart of the Town of Reading, just 12 miles north of Boston. The town offers a variety of dining and entertainment options and proximity to all major highways and the commuter rail. There is 8,000 square feet of commercial space as well as the 50 condominium units.

The one-bedroom units (units 1005, 3009, 4007) range from 890 square feet to 920 square feet with one bath. The two-bedroom units (1002, 2001, 2008, 2011, 3006, 3010, 4001) range from 1,176 square feet to 1,692 square feet with two baths.

The homes have an open floor plan with gas heating and air-conditioning powered by natural gas. The floors are vinyl and bedrooms carpeted. The appliances include stove, fridge, microwave, dishwasher with a washer/dryer hookup. The affordable units will have deeded exclusive use rights of an exterior on-site parking space. The affordable units are be located

Housing@Sudbury.Ma.US

throughout the building, with no distinguishing marks on the outside of the units, and owner have equal access to the community amenities including lounge room, gym, roof deck and patio as well as mail area.

The affordable units will be offered under the MGL 40R program, administered by Department of Housing and Community Development (DHCD) and monitored by the Barnstable Housing Authority. The sales prices are set so that a household earning 70% of area median income would not expend more than 30% of income for housing.

The new construction homes have a condo fee of \$120/month for the 1BR and \$135/month for the 2BR. These fees cover maintenance of the common area, landscaping, snow plowing and building insurance. The homeowner is responsible for all other maintenance and insurance of personal property, and will also pay real estate taxes (\$255/month (1BR) and \$287/month (2BR) using 2019 tax rate of \$14.23).

The units will be available to income eligible first-time homebuyers, with some exceptions permitted under the program, as noted in this application. The units are planned to be available starting in the summer of 2020 subject to change with no notice.

#### Lottery description:

- 1. The applications for this housing opportunity will be generally available, including on-line, in hardcopy at the Reading Town Offices, Reading Public Library, and Reading Housing Authority, and applicants can request an application by mail. Notice of the lottery will be advertised, and communicated widely through local, regional and state channels.
- 2. Applications must be received in hardcopy and will be checked for completion of all required components. An application will be considered complete when all required items on the checklist have been provided. Applicants are encouraged to complete the checklist as an aide to the process. We do not accept email or fax submission of applications.
- For all units, the applicant's household size will be determined from the application, and required number of bedrooms as indicated on the application. Within each lottery pool, priority shall be given to households requiring at least the number of bedrooms for that unit. Smaller households are encouraged to apply.
- 4. The applicant's income will be verified and compared to the income limits published by HUD for the Boston-Cambridge-Quincy MSA area for the household size. Income includes all income prior to any deductions from all adult household members, and are determined using the method as in the HUD Section 8 program defined at 24 CFR 5.609. An imputed income amount of 0.06% of assets will be added to income for assets over \$5,000. The current income limits will be used, currently the 2019 limits:

1 person- \$62,450, 2 person- \$71,400, 3 person- \$80,300 4 person- \$89,200, 5 person- \$96,350, 6 person - \$103,500

- 5. Household assets shall not exceed \$75,000 in value. Assets include but are not limited to all cash, cash in savings accounts, checking accounts, certificates of deposit, bonds, stocks, the cash value of retirement accounts, value of real estate holdings and other capital investments. The value of necessary personal property (furniture, vehicles) is excluded from asset values. Equity from the sale of any home will be included with other household assets that cannot exceed the household asset value limits noted above. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.
- 6. Eligible applicants must be a First-time Homebuyer. This is further defined as a household that has not owned a home within three years, including in trust, preceding the application, with the exception of displaced homemaker, single parents and senior households (at least one household member is 55 or over). Any previously or currently owned home must be sold prior to purchase of the affordable unit.
  - A displaced homemaker is an individual who is an adult, who has owned a home only with a spouse, who is legally separated from a spouse, and who does not currently own the home previously owned with a spouse.
  - Single parents are individuals who owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of whom the individual has custody or joint custody, or is pregnant);

Housing@Sudbury.Ma.US

Additional exceptions are made for households that owned a principal residence not permanently affixed to a permanent foundation, and households that owned a property that was not in compliance with State, local or model building codes.

Eligible applicants cannot own residential property, whether for primary, secondary or investment purposes.

- 7. For definitional purposes, a "household" shall mean two or more persons who will live regularly in the unit as their principal residence and who are related by blood, marriage, law or who have otherwise evidenced a stable interdependent relationship, or an individual. Household members applying together but not currently living together are required to provide documentation demonstrating compliance.
- 8. Persons must submit all the necessary information by the application deadline. Late applications (applications mailed and/or received after the above date) and applications that are incomplete will not be accepted. No faxed or emailed applications will be accepted.
- 9. All applicants will be screened for eligibility. Applicants who have been deemed ineligible will be notified in writing of the decision with the specific reason(s) for the determination and given time to contact the lottery agent in writing to disagree and/or seek further explanation of the determination. A final lottery eligibility letter will be mailed to each applicant indicating their final eligibility determination, preferences and the lottery specifics (date/time).
- 10. The Town is committed to providing equal access to all applicants. The Local Pool will be balanced to avoid any disparate impact, ensuring that the local pool reflects the racial/ethnic balance of the HUD defined Metropolitan Statistical Area ("MSA"). Specifically, if the percentage of minority resident households eligible for the local preference pool is less than the percentage of minorities in the surrounding HUD-defined area (27%), minority applicants will then be included from the general pool through a minority pre-balancing to the local preference pool through a minority pre-balancing. Applicants are able to claim minority preferences if they include self-declarations as proof.
- 11. Applicants that qualify for a local preference will be placed in the local pool. Local Preference will be applied to the initial sale (only) of seven of the affordable units. Applicants will be entered into all the pools for which they qualify; so applicants eligible for Local Preference will be included in both general and local pools. Eligible categories for Local Preference include:
  - Current Reading residents
  - Families with children enrolled in the Town of Reading's schools;
  - Reading municipal employees
  - People employed by businesses located in the Town of Reading, including with a bona fide offer of employment.
- 12. There will be two lottery pools created for these opportunities.
  - 1) General Pool All units (10 units)
  - 2) Local Pool Seven units in total. Two 1BR units (1005, 4007), Five 2BR units (1002, 2001, 2011, 3006, 4001)
- 13. The lottery numbers will be pulled randomly by an independent third party in a public setting. Lottery numbers will be assigned a number in the sequence in which they are drawn and recorded in the order of selection on the Lottery Drawing Lists. The list of numbers drawn will be posted and letters will be mailed within three business days to the winners.
- 14. Once the tickets have been randomly drawn and listed in the drawn order, the unit is then ranked based on bedroom size. The top ranked household needing at least two bedrooms will be first offered the opportunity to purchase the 2BR units. The household size preference shall be given to households based on the following criteria.
  - There is at least one occupant per bedroom.
  - A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom.
  - Other household members may share but shall not be required to share a bedroom.
- 15. The lottery agent shall maintain all Lottery Drawing Lists. In the event that any of the applicants withdraw for any reason, or do not comply with guidelines, the next qualified applicant in the lottery pool ranked by bedroom size need, will be offered the unit.

Housing@Sudbury.Ma.US

- 16. If there are more local units than local applicants needing all of the bedrooms of the unit, the local unit will be offered to the next ranked applicant in the general list needing all of the bedrooms in the unit. The ranked local applicants needing one fewer bedroom will then be considered in drawing order, followed by the ranked general applicants needing one fewer bedroom than in the unit.
- 17. Top ranked applicants are offered the next available unit. If any applicant is offered a unit and opts not to proceed, they will be moved to the bottom of the list, unless there are extenuating circumstances related to hardship.
- 18. The winners will sign an Offer form reservation form to purchase a specific offered unit and provide a \$1,000 deposit in the form of a certified or bank check within a mutually agreed upon timeframe. This is applied to the overall purchase amount.
- 19. Final qualification against all requirements will be verified before the execution of Purchase and Sale, and eligible applicants must be approved by the Monitoring Agent before signing a P&S and again before closing (if closing is longer than 60 days from the Purchase and Sale) as determined by the Lottery Agent.
- 20. If the lottery is unsubscribed, where there are fewer applicants than units, the remaining units will be marketed through a First-Come First-Served method until all units are sold. However, if more than 18 months elapses from the start of marketing and the expected Purchase and Sale of the last unit, a new marketing effort and lottery will be undertaken, with updated sales prices.
- 21. There are specific closing and financing requirements for loans on these units, which include the following. We strongly encourage households to apply through banks who are aware of the resale restrictions and guidelines for affordable housing programs. These banks will likely have access to additional first-time homebuyer programs that may be of great assistance and increase your buying power such as the Massachusetts Housing Partnership's ONE Mortgage Program or MassHousing no-MI product.
  - The loan must have a fixed interest rate through the full term of the mortgage.
  - The loan must have a current fair market interest rate, no more than 2 points and must be locked in.
  - The buyer must provide a down payment of at least 3%, 1.5% of which must come from the buyer's own funds.
  - The buyer may not pay more than 38% of their monthly income for monthly housing costs.
  - Mortgage co-signers are not accepted
  - Loans from non-institutional lenders will not be accepted.
- 22. The Fair Housing Act prohibits discrimination on the basis of race, creed, color, sex, age, public assistance recipiency, gender identity, disability, marital status, familial status, veteran status, sexual orientation, and/or national origin, or any other basis prohibited by law and is specifically prohibited in the sale of these units. An applicant who believes that they have been discriminated against may contact the Massachusetts Commission Against Discrimination; and/or the United States Department of Housing and Urban Development.
- 23. Applicants selected in the lottery who require special accessibility or reasonable accommodation features or modification will be given the opportunity to request such modifications.
- 24. The Sudbury Housing Trust encourages applicants with diverse backgrounds to apply for housing. For those with Limited English Proficiency, the Sudbury Housing Trust will provide access to a Language Line Service, which provides translation services in a multitude of languages.
- 25. Persons with hearing loss may access TTY/TDD Telecommunications Relay Services by dialing 711.
- 26. Resale process: The Monitoring Agent has up to 90 days after you give notice of your intention to sell the home to an Eligible Purchaser, or to close on a sale to a Monitoring Agent, or to a buyer that one of them may designate. This time period can be extended, as provided in the Deed Rider, to arrange for details of closing, to locate a subsequent purchaser if the first selected purchaser is unable to obtain financing, or for lack of cooperation on your part. If you attempt to sell or transfer the home without complying with the Deed Rider requirements, the Monitoring Agents may, among their other rights, void any contract for such sale or the sale itself.
