## AQUATICS SUPERVISOR

### **Position Purpose:**

The purpose of this position is to supervise and teach swim lessons, additionally perform administrative and supervisory work in overseeing the day-to-day functions of the Town's aquatic programs at the Atkinson Pool in Sudbury. Oversees and participates in water safety and lifesaving training and instruction; performs all other related work as required. Involves evening, weekend and holiday work.

### **Supervision:**

*Supervision Scope:* Performs varied and responsible duties which range in nature from routine to complex requiring a thorough knowledge of pool operations; may be required to exercise some judgment in situations not clearly defined by precedent or established procedures.

*Supervision Received:* Work is performed under the administrative direction of the Director of Park, Recreation and Aquatics; only unusual situations or cases are referred to the Park, Recreation and Aquatics Director.

*Supervision Given:* Supervises seasonal employees, lifeguards, swim instructors, head lifeguard, and front desk receptionists. Counsels and disciplines staff consistent with town policies.

### **Job Environment:**

Work is performed in large pool aquatic facility and under pool facility office conditions. Works with pool chemicals. The noise level is moderate to loud at times, and may be louder than normal at times on the pool deck.

Operates aquatics, swim meet equipment and timing systems, as well as computer, printers, facsimile machine, copier, calculator, typewriter, and other standard office equipment; may operate an automobile.

Has frequent contact with the general public including children and adults, requiring a high level of patience, tact and discretion. Contacts are mostly in person and sometimes by telephone and involve discussions on pool safety, procedures, and policies.

Errors could result in reduced levels of service, poor public relations, and potential danger to the general public.

Access to confidential information may include matters related to employee personnel records and membership records.

Position requires evening, weekend and holiday work as well as some irregular hours.

**Essential Functions:**

*(The essential functions or duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)*

Coordinates swim programs, as well as ensuring rescue and life saving techniques as required in emergency situations. Oversees administrative and programming for the pool during a specified shift; serves as direct supervisor for facility operations during the specified shift.

Ensures high quality programs and ensures program enrollment targets are met. Evaluates program effectiveness; responds to customer feedback; develops and implements methods for increasing participant awareness of all programs.

Participate in the development, planning, coordination, and implementation of aquatic programs; including swim lessons and serve as a specialist and a leader for certain program areas; supervise and teach various aquatic programs and swim lessons; work on program scheduling and prepare program publicity and calendars, input registration for classes.

Creates and manages Aquatics Program budgets for presentation to and review by the Aquatic Director.

Train, supervise and schedule 50 plus part-time or seasonal staff. In coordination with Aquatics Director, establish and maintain weekly staffing plan. Implement policies and procedures.

Check all areas of the facility to ensure every element of the building and facility, including dive well and pools, locker room and mechanical equipment room is in working order; Test the pool chemicals and other required safety measures necessary to operate the aquatic facility safely and in compliance with local, state, and federal regulations.; ensure that the facility is kept clean and safe for patrons and pool staff. Ensure that building security is maintained at all times.

Oversees and performs daily customer service functions as needed, including work the front desk, answer the telephones, work cash register and other office duties. Oversees reconciliation of cash registers and prepare bank deposits. Responsible for ensuring that safety procedures are adhered to. Perform lifeguard duties as needed.
