"The whole experience was WONDERFUL! I really felt confident that my son was well-cared for and understood. This is such a relief. Many places say that they can accommodate special needs but the Sudbury Summer Inclusion Program was the only one that I felt sure that was the case when I left."

—Parent of Sudbury Summer Inclusion Participant

Sudbury Summer Inclusion Program

Something for Everyone

Sudbury Park &
Recreation Department

What is the Inclusion Program?

The Sudbury Summer Inclusion Program welcomes children of *all* abilities to come and join in on the fun!

The inclusion program strives to provide participants of all abilities with a well equipped environment in which behavioral support, activity adaptations, and friendship facilitation are the main objectives.

A Day at Sudbury Summer

Kids that attend the Sudbury Summer Inclusion Program get the unique opportunity to participate in a variety of activities throughout the day in an inclusion setting.

- * Swimming Lessons and Free Swim
- * Arts & Crafts
- * Science & Nature
- * Music & Drama
- * Weekly Field Trips
- * Free play
- * Sports & games
- * Accessible Playground

Supports Available

A Certified Therapeutic Recreation Specialist is available at Sudbury Summer every day to help support all children.

What is Recreation Therapy?

Recreation therapy, also known as therapeutic recreation, is a systemic process that utilizes recreation and other activity-based interventions that are based upon the assessed needs of the individuals to maintain or increase quality of life. Recreation Therapy is listed as a related service on the IEP.

All children have access to:

- Visual schedules
- Positive Behavioral Supports
- Indoor cool down room
- Sensory Toys
- Summer Success Plans
- Activity Adaptations
- Floating inclusion aides
- Staff trained in inclusion
- Pre-camp open house

Frequently Asked Questions

My child would need a 1:1 aide to remain with the group, participate in activities and remain safe at camp. How would that work?

The inclusion aides and the inclusion director will float from group to group working with children as needed but they will NOT be available to one child for the entire day. Our goal is to “aide and fade” and we do not provide 1:1 care for each child in the program. If you think your child needs their own 1:1 aide to be successful in a camp setting, parents or schools are responsible for making those arrangements prior to the start of camp.

Is there a scholarship program available?

Yes! Anyone that is interested in learning about the Inclusion Scholarship Program and how to apply can call or email Anna Wood, Inclusion Director, at 978-639-3257 or email her at WoodA@sudbury.ma.us PRIOR to camp registration.

My child needs to take medication during the day. Who will help him/her?

Any medication or medical equipment that is brought to camp will be administered by the camp nurse.

What is the child to staff ratio?

Children are grouped according to grade with a counselor-to-child ratio of 1:10 and 1:5 for kindergarteners.
