# DIY
SCARECROW

Materials:

- frame
- stuffing: hay, leaves, newspapers, old plastic bags
- outfit
- twine or rubber bands
- scissors
- safety pins
- pillowcase or burlap sack

Step 1: Place your top onto the scarecrow frame and tie close the ends of the sleeves

Step 2: Tie close the ends of the pants and stuff them with whatever material you're using

Step 3: Tie the pair of pants to the stake

Step 4: Safety pin the shirt to pants and fill shirt with stuffing material

Step 5: Fill pillowcase/head with material and place ontop of the frame, tying neck closed with string. Paint a face on and enjoy!
