AGENDA

1. Call to Order and Minutes.

2. Financial Report (Sept FY05): we had several unexpected repairs this month to the Meeting Room projector and the video security system. Overall, the budget categories are fine.

3. Friends Report: the Friends provided a library presence at Sudbury Day.

4. Director's Report:

a) **Trust Fund Budget for FY05:** enclosed is a FY05 proposal that is consistent with proposals for prior years. It needs to be submitted to the Trustees of Town Donations for approval.

b) Personnel: we began interviewing for three technical services/ desk clerk positions on Friday and are still scheduling applicants for interviews over the next two weeks. Reference is interviewing for a Substitute Reference Librarian.

c) **FY06 budget:** the budget is due in November. Enclosed is an outline of the level effort increases and preliminary suggestions for incremental increases.

d) Facilities: I am still working on the drainage/gutter issue. Trench drains were installed by the main entrance stairs. The installation needs to be modified. The roofing company should begin work on minor changes to re-direct runoff water. Bill Place has agreed to put storm drains in key locations to solve two of our problems.
e) Shelving: I have not had time to put together a proposal for the trustees based on the prices we received from the vendor. I hope to have it ready by the November meeting. Fiction, non-fiction and the Children's Picture books are the most immediate issues.

f) Visits to Web Site: the town can now log the number of visitors. There were 1,900 visitors to the Library's site and 425 to the Sudbury Archives in August.

6. Trustees Report:
