**XVIII. Executive Session**

To discuss strategy with respect to collective bargaining or litigation if an open meeting may have a detrimental effect on the bargaining or litigating portion of the public body and the chair so declares.

To conduct strategy sessions in preparation for negotiations with non-union personnel or to conduct collective bargaining sessions or contract negotiations with non-union personnel (Superintendent and Director of Finance and Operations).

To review and approve executive session minutes related to collective bargaining, contract negotiations with union and non-union personnel, the deployment of security personnel and/or devices, and/or litigation issues because to do so in public session would be detrimental to the District's position.
