Remote Meeting Authorization: On March 28, 2025, Ch. 2 of the Acts of 2025 was signed into law, extending certain pandemic-related policy measures. This bill authorized the continuation of remote meetings and public access under the Open Meeting Law and other remote meeting provisions (including for Massachusetts nonprofit corporations and Massachusetts public companies) until June 30, 2027. With that in mind, this Lincoln-Sudbury Regional School District Committee meeting will be conducted as a **hybrid** meeting.

Public Comment policy: The Public Comment segments of the agenda are an opportunity for members of the community to address the School Committee. The public comment segment shall not exceed 15 minutes. Individuals will sign in for an opportunity to speak at the start of a public comment segment. School Committee policy will allot each speaker three (3) minutes to present their material and they must begin their comments by stating their name and city/town. Public comment is not a discussion, debate or dialogue between individuals and the School Committee. It is an individual's opportunity to express an opinion on issues with the School Committee. All speakers are encouraged to present their remarks in a respectful manner.
