

MRC Meeting Minutes

January 12, 2016

Meeting was called to order at 5:30pm and quorum was met. Members in attendance: Susan Sama, Chair, Carol Bradford, Phyllis Schilp.

Membership/Flu Season

MRC Executive committee met and reviewed new membership. Two new members since September. Of the 16 Flu Clinics held by Sudbury BOH this fall there were 14 volunteers from the MRC which is approximately half of the volunteer membership.

New training opportunities

Training opportunities were discussed for our next MRC meeting. A survey Monkey will be sent out to decide what the group will be interested in. Three choices of First Aid, CPR and Sheltering were discussed as options. Also three dates in February were discussed: 2/3/16, 2/8/16 or 2/11/16. Also discussed was taking CPR on line and then having C. Bradford to do the practicum part of the exam.

Wrap Up and Future Trainings Discussion

Discussion on possible CERT and MRC combining volunteers/units. With the different focus of the Medical Reserve Corps the board agreed on keeping the autonomy of the MRC. The board agreed that biannual joint trainings/meetings would be a good step to unite the two groups.
