

PERMANENT BUILDING COMMITTEE
Working Session - April 19, 2007

Present: Co-Chair Bruce Ey, Michael Melnick and Thomas Scarlata. Also present: BLW Engineer, William Scanlon.

The group met in the Flynn Building at 7:30 p.m. As no quorum was present, no business was transacted.

Mr. Scanlon's presented the 90% complete drawings and specifications for the Curtis HVAC project involving the Science Rooms. Committee members are to review the documents and provide Mr. Scanlon with any changes.
