Atkinson Pool Registration Policies and Swim Level Placement

The Atkinson Pool cannot guarantee a change in levels after registration. If low enrollment exists in a class the pool has the right to cancel the class a week prior to the start date. The class descriptions list the skills that are introduced at each level. If you are still unsure of which swim level to place your child, please call the pool at (978) 443-1092 to speak with our staff to determine proper placement.

Class availability pending instructor availability!
