

**Sudbury Ponds & Waterways Committee (PWC) Meeting Minutes
April 2, 2013, 7:15-9:00 p.m., Flynn Building, 2nd Floor**

Attendees: Rob Hershfield; Diane Muffitt; Anne Slugg, Chair; Alan Bascom; Frank Lyons

Administrative

The PWC minutes for February were approved.

Membership

Two members terms expire in May. We need to find new members and determine if these members should come from other committees (see PWC mission statement). We are not sure if Mary contacted the Town Crier.

Master Plan

The updates to Appendix 3 should be ready to circulate by the May meeting. Next steps include reviewing and updating the Master Plan. Additionally members decided that we should review the PWC mission statement to determine what we are doing and what we should do. We discussed how to make residents care about the health of the ponds and waterways in town.

Stearns Mill Pond

Marlboro submitted required report to EPA in July which concluded that based on bids to upgrade the plant more time is needed to update the facility. EPA accepted the new schedule. The new schedule may shift the timeline to dredge Hop Brook.

Riverfest

Riverfest will be held on June 22-23, 2013. The Duck Race will be held on Sunday, June 23, at 2:00P at the Wayside Inn.

Next meeting: 7:15 pm Flynn Building

May 14, 2013

Meeting adjourned at 9:00P
