

**Sudbury Ponds & Waterways Committee Minutes
from May 14, 2013 Meeting
7:15– 8:40**

Attendees: Rob Hershfield, Diane Muffitt, Anne Slugg, Chair; Alan Bascom

Administrative: Reviewed and approved minutes from April meeting

Membership: In June there will only be four members on the committee as Rob and Alan have decided to not renew their membership. The committee discussed the fact that we do not have enough members to address the scope of the committee's objectives which are identified in our mission. We need to discuss with Board of Selectmen the scope of mission and membership requirements.

Future projects/goals:

- Outreach? To kids? To residents that have water access - Put notice in warrant to ask residents to fill out survey about their water
- What recreation can be done on waterways and access?
- Remediation? For example, beach work has been done on Willis Lake. Who did the work?
- Adopt-a-pond? Need to get conservation commission approval? Perhaps, just be cleaning of trash?

Master Plan: Minor edits to Appendix 3 and then post to website. Need to now update the rest of the Master Plan.

Next meeting: Thursday, June 13 at 7:15P
