

Sudbury Ponds & Waterways Committee Minutes
May 7, 2015 Meeting
7:30 pm
Flynn Building, Thompson Room 2nd Floor

Attendees: Diane Muffitt; Anne Slugg, Chair; Frank Lyons; Dave Henkels

Administrative

March's meeting minutes were reviewed and approved.

Membership

PWC voted to approve the appointment of Dave Henkels to the committee.

Invasive Species Information Sheets

The PWC continues to work on invasive species sheets.. The committee decided to not write an information sheet on duck weed at this time.

Photo Exhibit

PWC will review photos at June meeting to determine what other photos if any we need.

Hop Brook Updates

Frank informed us that the association hired a harvester for the summer and that the harvester schedule has yet to be determined. Frank has spoken to growers and a greenhouse in town about their use for the harvested biomass.

Property Owner Awareness

The committee discussed land use (cutting trees) on properties next to waterbodies, wetlands and buffer zones; what property owners know about wetland regulations; how they should be made aware. The PWC plans to work with the Conservation. Commission on this issue.

Next Meeting

The next PWC meeting will be Thursday, June 18, 2015 at 7:30 pm, Flynn Building, Thompson Room, second floor.

Meeting adjourned at 8:43p
