

**Sudbury Ponds & Waterways Committee Minutes**  
**August 18, 2015 Meeting**  
**7:30 pm**  
**Flynn Building, Thompson Room 2<sup>nd</sup> Floor**

**Attendees: Diane Muffitt, Anne Slugg, Chair; Frank Lyons**

**Administrative**

July's meeting minutes were reviewed and approved.

**Photo Exhibit**

Selected photos for the October photo exhibit and determined photos we still need to take.

**Hop Brook Updates -Harvesting**

Frank informed us that harvesting at Stearns Mill Pond was completed and Grist Mill Pond had been harvested for the past 1.5 weeks and there is now open water. Grist Mill would be harvested for another 1.5 weeks. He also informed the committee that the dredging feasibility study for Stearns Mill Pond would begin in September, and that once completed the Hop Brook Protection Association would need to determine whether it is feasible to dredge all ponds, how, and permitting.

**Next Meeting**

The next PWC meeting will be Thursday, September 17, 2015 at 7:30 pm, Flynn Building, Thompson Room, second floor.

Meeting adjourned at 8:30 pm
