Dear Sudbury Board of Selectmen,

Please see the attached letter proposing to move the process along to bring the Bruce Freeman Rail Trail to Sudbury.

We look forward to presenting this proposal to you more formally. If possible we would welcome being placed on the agenda for the July 5th Board of Selectmen meeting to discuss. Feel free to contact me or Sudbury FBFRT Board Members Dick Williamson or Bob Hall if you have any questions or concerns prior to a formal presentation.

Best regards,

Tom Michelman – President Friends of the Bruce Freeman Rail Trail, Inc.
