

# SCIENCE PROGRAMS

## NEW VENDOR!!!

**Wicked Cool for Kids** is a locally-owned education company that promotes learning by engaging a child's sense of excitement, wonder, and fun. Our summer programs encourage activity-based learning but we also schedule time for play that supports our learning activities - it makes for a wicked cool summer!

### Wicked Cool Science: In The Dirt!

*In the Dirt!* gets down and dirty with everything from dirt dissections to worm tunnels. Learn about burrowing animals, unearth rocks and minerals and find out how they become beautiful things like paint and jewels. Build volcanoes and go fossil hunting for dinosaur bones.
