## 2014-2015 School Year

### TERRIFIC TWOS & KREATIVE KIDS

Children join us for engaging, hands-on, interactive fun in our bright and sunny classroom! Our morning consists of arts and crafts, singing and circle time, free play, movement, and a variety of other age appropriate activities in a group setting.

This is a drop-off program and a great introduction to a preschool setting. **Please bring your own TREE-FREE snack.**

Sign up for the whole year now, or just a session at a time. All registrations are on a first-come, first-served basis.

*Instructed by Anne Lee, Preschool Coordinator and Preschool Staff*

**Registration begins: Wed, June 11th at 9:00AM**

Please note: Classes follow the Sudbury Public Schools calendar.

When SPS is cancelled due to inclement weather, our preschool will be closed as well.
