

Town of Sudbury Board of Selectmen FY07 Goals

The Board of Selectmen met on May 26, 2006 and voted that the following are goals that they and the Town Manager will work to accomplish in FY07:

1. Ensure that the FY08 budget planning provides for the future financial sustainability of the Town of Sudbury and protects core municipal and educational services
2. Complete the Town's plans for emergencies, including Pandemic planning, continuity of operations, and disaster recovery
3. Develop a Route 20 Master Plan
4. Develop a detailed Five Year Capital Plan with financing options
5. Create a Solid Waste Management Options Committee
6. If feasibility study indicates readiness, have Police Station question ready for 2007 Town Meeting; develop efforts to educate Sudbury residents on the plans and needs
7. Update the Cemetery rules, regulations and customer service standards
8. Develop new options for the Board of Selectmen to communicate their goals, plans and activities to residents and for residents to give them feedback on Town efforts.
9. Prepare a report that analyzes and documents the financial impacts of the SRC and ISD bylaws, to be added to C.A.R.E. program
10. Find a citizen volunteer to head the Town's **No Place for Hate** effort
11. Begin work of the newly created Housing Trust
12. Create a new Traffic Safety Advisory Committee
13. Continue efforts to get a traffic control light installed at Fire Station 2 on Route 20
14. Examine potential impact of Wayland Town Center Project on Sudbury

In addition, the Board voted to direct staff to continue progress on the following FY06 goals:

1. Examine options to increase oversight of town owned parks and public spaces
2. Continue the on-going dialogue with Sudbury's legislative delegation requesting legislation for senior tax relief options be enacted state wide
3. Continue legal efforts to end the pollution of the Hop Brook ponds
4. Examine ways for the Town to be more fuel and energy efficient
