

TOWN WARRANT
EMERGENCY SPECIAL TOWN MEETING
Commonwealth of Massachusetts
Middlesex, ss.

To either of the Constables of the Town of Sudbury:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Sudbury, qualified to vote in Town affairs, to meet at the Lincoln-Sudbury Regional High School Auditorium in said Town on Monday, June 15, 1981, at seven thirty o'clock in the evening, then and there to act on the following articles:

1 ARTICLE 1

Transfer
Excess
School
Buildings

TO SEE IF THE TOWN WILL VOTE TO TRANSFER THE CARE, CUSTODY, MANAGEMENT AND CONTROL OF THE FAIRBANK SCHOOL, THE HORSE POND ROAD SCHOOL, THE ISRAEL LORING SCHOOL AND THE SOUTH ANNEX, OR ANY OF THEM, FROM THE SUDBURY SCHOOL COMMITTEE TO THE BOARD OF SELECTMEN FOR STORAGE AND CIVIC PURPOSES, OR ACT ON ANYTHING RELATIVE THERETO.

Submitted by the Board of Selectmen.

BOARD OF SELECTMEN REPORT: The Sudbury School Committee has voted that these school buildings are not needed for school purposes as of September 1981. The Selectmen appointed a Town Facilities Committee (TFC) to look into and recommend the future use, if any, of these school facilities. The TFC is recommending that the Board of Selectmen take over control of these town buildings now to allow one single Town authority to coordinate and negotiate for their future use. It is also imperative that one single authority be responsible now for the maintenance, care and security of the buildings, especially Fairbank, and Loring which will be vacated in late June. The Sudbury School Committee supports this article.

FINANCE COMMITTEE REPORT: The Finance Committee will make its report at the Special Town Meeting.

2 ARTICLE 2

School
Traffic
Controls

TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE, OR APPROPRIATE FROM AVAILABLE FUNDS, THE SUM OF \$12,000, OR ANY OTHER SUM, FOR THE PURCHASE AND INSTALLATION OF TRAFFIC CONTROL DEVICES ON HAYNES ROAD FOR THE HAYNES SCHOOL AND ON OLD SUDBURY ROAD FOR THE PETER NOYES SCHOOL, OR AT EITHER LOCATION ALONE, OR ACT ON ANYTHING RELATIVE THERETO.

Submitted by the Board of Selectmen.

BOARD OF SELECTMEN REPORT: The purpose of this article is to provide for 20-mile-per-hour flashing traffic control devices at the above noted school locations. This action requires state Department of Public Works' approval, which was received on April 17, 1981. We believe it is essential to have these flashing signals installed prior to September of 1981 when the next school year begins. The relocation of lower elementary grade children to Noyes School supports the need for this equipment. The Haynes School location was chosen also because of safety problems related to the large number of children walking to school.

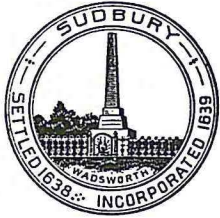

FINANCE COMMITTEE REPORT: The Finance Committee will make its report at the Special Town Meeting.

And you are required to serve this warrant by posting attested, printed copies thereof at the Town Hall and such other places as the Selectmen deem appropriate, but not less than three in each precinct, and not less than a total of twelve in the Town, at least fourteen days before the time appointed for such meeting.

Hereof fail not and make due return of this warrant by your doing thereon to the Town Clerk, at or before the time of meeting aforesaid.

Given under our hands this twenty-second day of May, one thousand nine hundred and eighty-one.

Selectmen	ANNE W. DONALD, CHAIRMAN
of	WILLIAM J. COSSART
Sudbury	JOHN E. MURRAY

FINANCE COMMITTEE REPORT: The primary reason for postponing the monied articles of the Annual Town Meeting from April until June was to gather additional financial information with respect to the total assessed valuation of Sudbury's real and personal property and the local aid provided in the state budget for distribution to the cities and towns.

Last fall Town and school budgets were cut drastically in the initial budget review when the boards and committees used the most conservative approach in developing plans to remain within the Proposition 2½ guidelines as we knew them in November 1980. We now have new information including assurances that state aid will be about what it was last year - \$1,900,000. We also have knowledge that Sudbury's total property value will be about \$50 million more than estimated last fall. By adding the \$50 million to our tax base, we now have a total estimated assessed value of \$488,090,472 (see bottom line of Estimated Tax Rate page). This enables the Finance Committee to present to the postponed session of the 1981 Town Meeting a more realistic, practical and workable total budget for Fiscal Year 1981-82.

The next page is a revised Estimated Tax Rate for 1981-82. Following that are recommended changes in specific line items of certain budgets. These changes should be related to the budgets outlined in the Warrant for the 1981 Town Meeting. We think that our present estimates reflect a more accurate picture of the financial status of the Town at this time.
