

Sudbury to Hudson Transmission Reliability Project Construction Activity in Sudbury Fall 2023

Dear Neighbor,

Starting soon, Eversource construction crews, from BOND Civil & Utility Construction, Inc., will be in your neighborhood to perform duct bank (underground electrical conduit) and vault (pre-cast concrete box used to store underground cables) installations on the **Sudbury to Hudson Reliability Project**. To complete this work, Crews from BOND Civil & Utility Construction, Inc. will maintain a work zone setup that will necessitate lane restrictions at times.

Construction Hours

Starting soon, crews will begin excavation activities for conduit (duct bank) at road crossings in Sudbury where the inactive MBTA corridor intersects. This work will occur between **7 a.m. to 5 p.m., Monday through Friday**. Occasional activities may extend beyond these hours, due to unforeseen circumstances like weather, based on approval from Town officials.

Construction Activities Include

Over the next few weeks, you will see contractors excavating within the roadway to begin the installation of the underground electrical transmission line. You will also observe:

- Surveying the roadway for existing underground utilities.
- Installing cables in an underground duct bank.
- Restoring roads and other areas disturbed by the work.

Traffic Management

We coordinate closely with the Sudbury Police Departments and town officials to maintain a safe and effective flow of traffic around project work areas. Lane restrictions will be necessary to complete this work. Local access to property owners and businesses will be maintain along with vehicle traffic.
