## Eversource 115-kV Project Update

Greetings!

Over the next week, you can expect to see construction activity at work sites in Sudbury (in the inactive MBTA corridor) and in Hudson related to the Eversource 115-kilovolt (kV) Underground Transmission Line Project.

### Work Hours

Approved work hours are 7 a.m. to 6 p.m., **Monday to Friday** but crews are working from **7 a.m. to 4 p.m.** in most areas. Occasional work may extend beyond the approved hours, due to unforeseen circumstances, based on approval from local officials. Crews work between manholes (MHs) that have been placed along the project route. For a closer look, [view the project map](#).

### Hudson

- **At bridge 130 between Chestnut and Main Street**, one crew is installing structural beams at the bridge. Next, crews will start pouring abutment footings.

### Sudbury

- **At Bridge 128 between the Town Line and Dutton Road**, crews are continuing to work on the bridge rebuild.
- **From Peakham Road to Horse Pond Road**, crews are installing duct bank from MH20 to MH21.
- **Between Horse Pond Road and Union Ave**, crews are working on final grading and gravel installation over the next few weeks. Next, crews will begin duct bank installation from MH21 to MH22.
- **Between Boston Post Road and Bridge 127**, crews are installing duct bank from MH25 to MH 26.
- **Between Union Ave and Boston Post Road**, crews are working to install duct bank between MH24 and MH 25.
- **From Bridge 127 to the Sudbury Substation**, crews are installing duct bank between MH26 and MH27.
- **At the Sudbury Substation**, crews are installing duct bank between the Substation and MH28.

*\*Due to the complexities of underground construction and weather, the two-week schedule described above is subject to change.*
