Eversource 115-kV Project Update

Greetings!

This is an update on activities related to the Eversource 115-kilovolt (kV) Underground Transmission Project in Sudbury and Hudson. Across the inactive MBTA rail corridor, crews are accessing manhole locations to prepare the underground duct bank system for cable installation by proofing the underground conduit.

Work Hours

- Sudbury - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. During the cable installation process, crews are working from 7 a.m. to 5 p.m., Monday to Saturday. All other activities in the corridor will happen from 7 a.m. to 4 p.m. **There will be no work on May 25 or 27.**
- Hudson - Approved work hours are 7 a.m. to 6 p.m., Monday to Friday. Crews are working in the Hudson roads from 7a.m. to 5 p.m., Monday to Friday. During cable installation, crews are active from 7 a.m. to 5 p.m., Monday to Saturday in the MBTA corridor. **There will be no work on May 25 or 27.**

Occasional activities may extend beyond the approved hours, due to unforeseen circumstances, based on approval from local officials. Crews work between manholes (MHs) placed along the project route. For a closer look, [view the project map](#).

Hudson Activities

- On Forest Avenue, crews are working to install the new underground transmission duct bank between Hudson Power and Light and Marlboro Street. One lane of alternating traffic will be maintained whenever possible.
- At the intersection of Wilkins Street and the inactive MBTA corridor, crews are excavating and installing duct bank to tie into sections already installed.
- At Bridge 130, crews will be installing timber rail posts.

Sudbury Activities

- At Bridge 127, crews are installing wall caps.
- Between Dutton Road and Peakham Road, crews are installing the new transmission line underground at MH20 and MH23.

**Due to the complexities of underground construction and weather, the two-week schedule described above is subject to change.*

Stay Informed

Eversource is committed to being a good neighbor and doing any work with respect for you and your property. If you have questions, please contact us directly or click on one of the resources below.
