

November 16, 2023

Town Manager Sheehan & Sudbury Select Board,

We are happy to report that our Fourth Annual Fall Spectacular was a smashing success. We welcomed 300 Sudbury Residents onto the property on a beautiful fall morning to enjoy some seasonal crafts and music, a petting zoo, bounce houses, trick or treat, and a wonderful bake sale by Sudbury BSA Group 65. We are grateful to all who participated, to those who joined us, and to Mother Nature for the unexpectedly perfect weather!

Our Director Amy Podolsky and Assistant Director Hanna Glenshaw had a blast participating in Sudbury's first Accessible Trick or Treating. We were honored to help carry out the vision of the COD and other members of our community to provide an inclusive and accessible evening of fun for so many Sudbury residents, and look forward to joining the fun again next year.

On the camp end of things, with enrollment for the summer of 2024 nearly complete, we have turned our focus to staffing. We are excited to welcome back many returning counselors from Sudbury, including teachers, students, and parents in the community, and will be working closely with LSRHS throughout our hiring process. We have also completed the dredging and cleaning of the swimming pond, and are working on preparing the property for winter.

We hope that you all have a wonderful Thanksgiving,
The Sewataro Team
