

January 10, 2024

Town Manager Sheehan & Sudbury Select Board,

We hope that you all enjoyed a peaceful Holiday season, and that your New Year is off to a wonderful start.

We are excited that once again, the Sudbury Maynard Stow Youth Hockey program has assembled the Toland Memorial Rink on the front of the property. Historically located at The Fairbank Community Center, SMS approached us last fall to request use of a flat piece of land for the winter during construction of the new Community Center. With support from the Town, we were happy to partner again this year as work finished up at Fairbank. This article, published in 2015 when the rink was first erected/dedicated, provides a nice summary of John Toland's contributions to local youth hockey.

<https://www.wickedlocal.com/story/sudbury-town-crier/2015/01/12/youth-hockey-inaugurates-outdoor-rink/35551027007/> The boards are up, and we are awaiting a nice stretch of cold weather!

Speaking of cold weather...Sudbury residents (and their pets!) are hearty New Englanders, as witnessed by the number of walkers on property each day. Inside the office, things are beginning to heat up on the staffing front, as January is the time of year when we begin to turn our attention toward hiring for the upcoming camp season. We're pleased to report that many of our counselors will be returning for the 2024 season, and as always we are looking to welcome many more - especially Sudbury residents - to the team. The Lincoln Sudbury Regional High School Job Fair coming up in March is always a great place to connect with potential new staff.

We look forward to meeting with the Select Board later this month.

– The Sewataro Team
