Town Manager Sheehan & Sudbury Select Board,

Happy New Year! We hope that everyone had a wonderful holiday season, and has enjoyed a strong start to 2025!

We currently have 466 campers who reside in Sudbury enrolled for the summer of 2025, including 70 NEW Sudbury campers! We have 36 Sudbury resident scholarship campers enrolled to date, and are processing applications for a handful more. We will continue to work with the Town Social Worker to identify and enroll more local scholarship families.

We were honored to have been able to serve two important local groups during the holidays. HOPE Sudbury brought back its annual holiday gift drive this year, and the Sewataro property served as the drop off and pick up point for donors and recipients. In all, HOPE collected and distributed 181 gifts to 83 families from Sudbury or with children in the Sudbury Public Schools or at Lincoln Sudbury Regional High School.

We also continue to partner with the Sudbury Community Food Pantry as a storage location for their collection of banana boxes, and surplus non-perishable items that do not fit in their storage container. The services that these groups provide are vital all year, but particularly during the holiday season, and we are so happy to play a small role in the incredible work that they do for the community.

Warm Wishes,
The Sewataro Team
