Animal, Vegetable, Miracle A Year of Food Life

Author Barbara Kingsolver and her family abandoned the industrial-food pipeline to live a rural life—vowing that, for one year, they'd only buy food raised in their own neighborhood, grow it themselves, or learn to live without it. Part memoir, part journalistic investigation, *Animal, Vegetable, Miracle* is an enthralling narrative that will open your eyes in a hundred new ways to an old truth: **You are what you eat.**
