

**Vocational Education Options Committee
Town of Sudbury**

**Voted to establish July 22, 2014 by the Sudbury Board of Selectmen
Amended May 26, 2015**

Mission Statement

The Board of Selectmen is creating the Vocational Education Options Committee to generate, evaluate and report on best options for the Town of Sudbury in selecting a vocational school for our students. The Committee's mission is to advise the Board and the Sudbury Community on alternatives for providing vocational/technical options for Sudbury students that are both academically and financially appropriate. As part of this, the Board requests that this Committee develop a report with four recommendations: 1) whether to recommend the building project proposed by the Minuteman Regional District; 2) which available vocational school(s) will best meet Sudbury's academic and budgetary needs; 3) whether Sudbury should participate in the vocational school(s) as a member or on some other basis; 4) Whether or not Sudbury should remain or withdraw from the Minuteman Regional District.

Background: Sudbury has been a member of the Minuteman Regional Vocational Technical High School District since its founding in 1971. The Minuteman District School Committee is engaged in a multi-year process to determine how best to address a number of building shortcomings, including construction of a new school building. As part of that process, that committee has recommended significant amendments to the Minuteman Regional Agreement to facilitate financing this capital project. However, the towns of the Minuteman Regional District have not accepted these amendments and the Minuteman District School Committee now proposes that the building project proceed under the existing regional agreement. Sudbury must decide whether to support this building project. Additionally, Sudbury has the opportunity to evaluate a wide range of vocational options to obtain the most academically appropriate and fiscally responsible programs for our students as we decide how to proceed.

Tasks
