

Policy Review Subcommittee
(Subcommittee of the Board of Selectmen)
Minutes
June 6, 2018
Thompson Room, Flynn Building
278 Old Sudbury Road, Sudbury

PRESENT: Bob Haarde, Janie Dretler, Pat Brown

The meeting convened at 9:10 am.

Bob Haarde was elected Chair, and Pat Brown Clerk.

There was a discussion of the May 15, 2018, draft of the Selectmen's Policies. Proposed changes were consolidated into a "Draft 2" document. Members were requested to review and propose other policy additions, modifications, or deletions and bring those proposals to the next meeting. The Safe Community Policy (adopted May 7) and modifications to the Town Manager Evaluation process (May 1) should be added to the policies.

There was further discussion on what it would require to change the name of a member of the Board to "Selectwoman". Janie Dretler had started work on this, and will follow up on the legal requirements.

The Subcommittee agreed to meet again at 9 am on June 13.

The meeting adjourned at 10:04 am.
