

Uber Beta Test, March 2021

Wait Time for Uber Rides

Quick calculations: average wait time (from request to pick up) for the pilot to date is 10 minutes. Range of wait time: 0 -24 minutes.

Numbers are too small to draw conclusions about time of day when request was made and wait time, see below (request time uses 24-hour clock).

Cost/Destinations

Total cost is \$283.64 (14 round trips); average cost is \$20.26 per round trip, with a range of cost from \$8.05 to \$30.57. Destinations include Sudbury (10), Concord (2), Marlborough (1), Boston (1).
