

Go Sudbury! Uber Update

Month of April Usage

- Number of rides (single trip) = 41
- Average wait time
 - Morning (before 12 noon) = 18 minutes
 - Afternoon = 21 minutes
- Range of wait times: 6 – 37 minutes
- Total trip miles = 174
- Average trip length = 4.2 miles
- Total cost = \$481.19
- Average approximate costs
 - \$12/ride (single trip)
 - \$3/mile

Note: April is still within the beta test for Uber usage, with only seven unique riders. Numbers overall are still too small to determine more predictable wait times and average mileage, cost, and trip data.
