

GoSudbury Uber and Taxi Riders:

Thank you for being a part of this very important program. In order to keep this program viable for the long term, we are likely to increase the co-pays for rides—although subsidies will always be available for those who need them. Your opinions on this are extremely important to us. We would appreciate it if you would take a few minutes to complete the following survey so that we can plan for the future of this program.

Thank you.
