Dear Amy and Marcia,

On behalf of the Sudbury Transportation Committee, I would like to extend an enthusiastic thank you to you and your communities for reallocating your unused MAPC Taxi Grant funds to Sudbury and Stow. As I am sure you are aware through your participation in Making the Connections, the Go Sudbury! Taxi program is providing essential, and in many cases lifesaving, transportation options to some of Sudbury's most vulnerable residents. While our pilot has been successful so far, it is exactly that – a pilot. As we have yet to establish a sustainable funding mechanism for ongoing operations, your reallocation will go a long way to help keep it running.

I think I can safely speak for my committee in saying that we are proud to partner with Maynard, Concord, and all the other MAGIC communities, and look forward to the opportunity to help you in your transportation endeavors.

With Hearty Gratitude,

Daniel E Carty
