Dear Sandra,

Thank you for participating in the Needham Community Council's Transportation Program. Please see below for a summary of all rides in partnership with our ride-share service Lyft:

**Last month, the cumulative cost for your ride(s) came to \$0.00.**

Funding for the transportation program has been made possible thanks to generous individual gifts to the Council and grants from our partners the Metrowest Health Foundation and Beth Israel Deaconess Hospital Needham. We hope this program meets your needs and look forward to hearing from you if you have any questions or comments about the program.
